

ThinkVision T34w-30 Monitor

Smarter technology for all

A wide curve for multitasking mastery.

A wider view for enhanced productivity.

Get ready to take your efficiency to the next level with the ThinkVision T34w-30 Monitor's 3-side NearEdgeless, immersive 34-inch WQHD curved display that draws you in, while its 3440 x 1440 resolution lets you take in all the finer details. A 21:9 aspect ratio delivers a panoramic experience, while a 1500R curvature delivers a consistent focal length across the screen. The large screen real-estate and curvature make sharing finer details with your teams easy and improves your focus and productivity as well. The monitor is a treat for the eyes with rich, vivid colors brought to life by a 99% sRGB color gamut. It cares for your vision too with Natural Low Blue Light technology that reduces harmful blue light emissions without color distortions. The ThinkVision T34w-30 Monitor is designed for efficiency with a host of connectivity options including a USB Type-C¹ (up to 75W PD²), HDMI and DP ports, modular VoIP support for a video conferencing or audio with AI-enhanced MC60 and MS30 ports, and efficient network management with MAPT, PXE, and WOL (S3-S5). The ThinkColour software solution that can be easily deployed by Endpoint³ allows users quick control of display attributes, to help maximize productivity. The monitor's enhanced lift range gives it more flexibility to meet the working posture you find most comfortable. The lowest position gets lower to give you even more viewing comfort. It accommodates an open-slot phone holder that also supports tablets of different sizes to put all your screens within view, while cleaner cable management adds to a clutter-free desk. If you're looking for a cleaner desk, you can VESA mount this monitor too. The monitor's one-button joystick for quick access to display controls puts accessibility at your fingertips. You'll be pleased to know that the ThinkVision T34w-30 Monitor meets the ecological and health standards of TCO 9.0 regulations and comes packed in recyclable paper cushioning that's safe for the environment too.

Features of ThinkVision T34w-30 Monitor

Sharp, immersive display

The ThinkVision T34w-30 Monitor's 3-side NearEdgeless bezel design with an immersive 34-inch WQHD curved display envelopes your attention and focus with a larger-than-life clarity for efficient multitasking. Its captivating 3440 x 1440 resolution enriches picture quality and lets you in on all the finer details, backed by a 99% sRGB color gamut that displays brilliant, true-to-life colors. A 21:9 aspect ratio gives you rich panoramic views, while a 1500R curvature displays a consistent focal length across the screen. Natural Low Blue Light technology curbs harmful blue light emissions without color distortions and reduces visual fatigue and strain making your viewing experience as delightful and comfortable as it can be.

Productivity par excellence

Make your workstation a hub of productivity with a range of connectivity options that make the ThinkVision T34w-30 Monitor quick and efficient. Connect and power-up swiftly and efficiently with the one-cable USB-C¹ up-to 75W PD² port that enables dynamic power distribution with connected devices. Network connectivity becomes faster, more stable and safer too with ethernet support that includes MAPT, PXE, and WOL (S3-S5). Dedicated HDMI and DP ports let you connect efficiently. The ThinkColour software solution that can be easily deployed by Endpoint³ ensures you get quick control of display attributes, accurate and easy color settings, simple management between multiple files, documents and media, and smarter technology to maximize productivity. A dedicated and cableless USB Type-A port at the top facilitates a modular VoIP solution - ThinkVision VoIP Stack⁴ (MC60 Monitor Webcam, MS30 Monitor Soundbar) enables incredible video conferencing experiences.

Ergonomically and environmentally advanced

Enhanced ergonomics make working on the ThinkVision T34w-30 Monitor delightfully comforting. It also comes with enhanced ergonomic features, including up to 155 mm height adjustability, -5°/23.5° tilt range, and -45°/45° swivel angle, so you can work the way you feel comfortable, without compromise. An open phone slot, tablet holder, and cleaner cable management provisions give you a clutter-free desk. A simple one-button joystick puts control at your fingertips with easy access to display settings. The ThinkVision T34w-30 is also serious about sustainability as it is designed to meet the TCO 9.0 ecological and health standards. What's more, it is delivered in recyclable green paper packaging making it as environmentally friendly as it is user-friendly.
